For prompt, reliable service please have your assembly manual ready.

Recommended # of people needed for assembly:2
(However it is always better to have an extra hand.)

Spanish translations are located in the center of this manual.

Thank you for purchasing from AMERIWOOD.

Visit www.ameriwood.com to view the limited warranty valid in the U.S. and Canada.

BEFORE STARTING

- Read each step carefully before starting. It is very important that each step of instruction is performed in the correct order. If these steps are not followed in sequence, assembly difficulties will occur.
- Make sure all parts are included. Most board parts are labeled or stamped on the raw edge.
- Work in spacious area, preferably on a carpet, near the place the unit will be used.
- Have the following tools close at hand.
- Do not use power tools to assemble your furniture. Power tools may strip or damage the parts.

HELPFUL HINTS

- Visit our website for assembly video clips.
- Call our toll free number if you need assistance.
- Compression dowels are tapped in with a hammer.
- Back panels provide stability and support. Use all the nails provided. Units without the back panel installed may collapse.
- When tapping nails into a board, be sure there are equal margins on all side to square the unit.
- Move your new furniture carefully, with two people lift and carry the unit to it's new location.
- Never push, drag or scoot your furniture (especially on carpet).
- Your ALTRAFURNITURE can be disassembled and reassembled to move.
- Additional parts are available for a nominal fee.

Clean the product with your favorite furniture polish and a soft cloth. Do not use harsh chemicals or abrasive cleaners.

Before moving the unit, remove everything including TV from the unit. Move your new furniture carefully with two people. Lift and carry the unit. Never push or drag the unit.

Do not allow children to climb or play on the unit. Failure to comply could result in severe injury.

This unit has been designed to support the maximum loads shown. Exceeding these load limits could cause unit sagging, instability, product collapse and/or serious injury.

Apply the warning label to the TV stand as shown, be sure the TV covers the label in use. You will not be able to remove the label after it is applied to the TV stand.
